

# Cosmograph Daytona

Oyster, 40 mm, white gold and diamonds

**This Oyster Perpetual  
Cosmograph Daytona in  
18 kt white gold, with a  
black and white mother-  
of-pearl, diamond-set  
dial and an Oyster  
bracelet, features a  
diamond-set bezel.**

MOTHER-OF-PEARL DIAL

## A unique effect

The contrasting dial is made from natural mother-of-pearl and graced with eight diamonds and three Chromalight hour markers. The strength of the contrast, the intensity of the colours and the depth of the reflections are the result of a particularly stringent material selection process. Both varieties of mother-of-pearl are handled with the greatest care by the brand's artisans.

The dial allows drivers to accurately map out their track times and tactics without fail.

DIAMOND-SET BEZEL

## Adorning a legendary chronograph

The timepiece incorporates a bezel adorned with 36 brilliant-cut diamonds.

This now legendary chronograph is the instrument of choice for measuring time intervals and determining average speeds. On this gem-set version, the emblematic tachymetric scale is replaced with diamonds.

18 KT WHITE GOLD

## Commitment to **excellence**

By operating its own exclusive foundry, Rolex has the unrivalled ability to cast the highest quality 18 kt gold alloys. According to the proportion of silver, copper, platinum or palladium added, different types of 18 kt gold are obtained: yellow, pink or white.

They are made with only the purest metals and meticulously inspected in an in-house laboratory with state-of-the-art equipment, before the gold is

formed and shaped with the same painstaking attention to quality. Rolex's commitment to excellence begins at the source.

THE OYSTER BRACELET

## Alchemy of form and function

The design, development and production of Rolex bracelets and clasps, as well as the stringent tests they face, involve advanced high technology. And, as with all the components of the watch, aesthetic controls by the human eye guarantee impeccable beauty.

The Oyster bracelet is a perfect alchemy of form and function. First introduced in the late 1930s, this particularly robust and comfortable metal

bracelet with its broad, flat three-piece links remains the most universal bracelet in the Oyster collection.

### Model Case

---

#### Type

Oyster, 40 mm, white gold and diamonds

#### Diameter

40 mm

#### Material

White gold

#### Bezel

Set with diamonds

#### Oyster Architecture

Monobloc middle case, screw-down case back and winding crown

#### Winding Crown

Screw-down, Triplock triple waterproofness system

#### Crystal

Scratch-resistant sapphire

#### Water Resistance

Waterproof to 100 metres / 330 feet

### Movement

---

#### Type

Perpetual, mechanical chronograph, self-winding

#### Calibre

4131, manufacture Rolex

#### Precision

-2/+2 sec/day, after casing

#### Oscillator

Paramagnetic blue Parachrom hairspring. High-performance Paraflex shock absorbers

#### Winding

Bidirectional self-winding via Perpetual rotor

**Power reserve**

Approximately 72 hours

**Functions**

Centre hour and minute hands, small seconds hand at 6 o'clock. Chronograph via centre seconds hand, 30-minute counter at 3 o'clock and 12-hour counter at 9 o'clock. Stop seconds for exact time setting

## Bracelet

---

**Type**

Oyster, three-piece solid links

**Bracelet Material**

18 kt white gold

**Clasp**

Folding Oysterlock safety clasp with Easylink 5 mm comfort extension link

## Dial

---

**Type**

Black and white mother-of-pearl set with diamonds

**Details**

Highly legible Chromalight display with long-lasting blue luminescence

## Certification

---

**Type**

Superlative Chronometer (COSC + Rolex certification after casing)
